A Loving Dedication . . .

All of the Bakers enjoy canoeing. Sons Bob and Rick are pictured here.

In college, he took a course in aviation instruction. But, when did he pilot a spaceship?

Mr. Baker coached basketball from '56 to '61.

Flying is something that Mr. Baker will always love.

When you tell the Bakers to "take a hike," they take you seriously! They will, in the Blue Ridge Mountains.

We would like to dedicate the 1988 *Pantherian* to Mr. Baker, yearbook advisor from 1957 to 1987. Mr. Baker began his career as an art teacher in 1956, bravely taking on the duties of yearbook advisor for the 1957 book. Later, when he took on the position of assistant principal at Saegertown High, he still oversaw a tremendous job every year, continuing the task through 1987. Mr. Baker, we appreciate your dedication and hard work through the years. We thank you for giving us so much of yourself. We salute you for a job well done.

JEN,
 WE ONLY HAVE 4 MORE
 DAYS OF SCHOOL LEFT, YEAH!
 THEN ITS PARTY SUMMER. REMEMBER
 ALL THE FUN PARTIES WE HAD!
 GOOD LUCK IN OUR SENIOR
 year. HAVE FUN THIS
 SUMMER. STAY COOL AND
 SWEET.
 Love
 Matthew

Is This All There Is . . .

We have many innovations here at Saegertown High School; thus, there are difficult choices one must make. Each student has a multitude of classes from which he can choose. He can select courses ranging from architectural drawing and home-economics to sociology and criminal justice or even basic algebra and calculus. There are the mandatory courses of history and English, as well.

However, classes only make up part of a student's life at Saegertown High. One can choose to take part in any number of clubs, organizations, and special events that occur each year. These can be educational clubs such as the Hi-Q Team or the Spanish Club. Other clubs perform a vital function. Examples are the Communications Club, which works in the library and the audio/video room; the Key Club, which works on various projects throughout the school year; and the Student Council, which is in charge of the assemblies, Homecoming and other service projects. Special events that take place in school include preparing for the annual Junior-Senior Prom, various holiday activities, Special Olympics, and, in 1987, Scott Bidwell Day.

As can be seen, there are many activities that students can participate in during their years at Saegertown High. There is something for everyone.

While there are many clubs and organizations to join, everyone realizes that the real reason we come to school is not for an education, but to see our friends. We do this everywhere- in the halls, in class (especially when the teacher has to leave the room for a moment), in study hall, and in the most popular socializing spot, the cafeteria! In other words, socializing takes place everywhere we can get away with it. And it doesn't stop when the bell rings at 2:33. We can congregate on the bus; and if that isn't enough, we can always attend a sporting event. There is always at least one sport in season.

Are we having fun yet?

. . . In A Student's Life?

Fads And Fashions From Head...

When the new school year starts it's a time for books, sports, and new fashions and fads. This is evident just by walking down the hallway. Denim is frosted, skirt lengths are at extremes, and Nike has been replaced by Reebok. Coke and Pepsi are still feuding and Spuds MacKenzie has made his mark on the world.

The guys are spiking their hair and shaving the sides of their heads. Even with a lot of casual styles there are still people who break out of the "cool" mode and dress it up for a day. In spite of all the new trends, the old standby, the jean jacket, is a must at this high school. But no matter what is being worn, every student looks sharp at S.H.S.

... To Toe.

The Beast Is Back!

After last year's disappointing season, the 1987 football team worked long and hard to prepare for this year. Led by a strong group of seniors and many returning lettermen from last year's team, they went onto the field determined to win.

After Scott Bidwell's serious injury at Lakeview, the team really came together as a unit. The team dedicated the entire season to "Beef." This tragedy became a rallying cry throughout the community. Yes, win, lose or draw, each game was played with pride and determination to succeed for both the team and Beef and to repay the kindness of the community for their undying support. This was a season all will remember. It expressed every range of emotion from the agony of human sorrow to the ecstasy of victory.

This season definitely prepared us to face the future knowing full well that anything that might come our way will be met head-on with determination and the desire to survive.

The winning team in action

This year's varsity team had to be a scrappy team since the girls were lacking in height. However, with a lot of hustling in the back line and some extra high jumping at the net, the girls put forth a commendable effort. Another unusual feature was that of having seven seniors on the squad. The team goal was to represent French Creek Valley at districts.

The junior varsity squad was one of the largest ever with fifteen ninth and tenth graders busy learning basic volleyball skills.

Junior Varsity: Front row: Michelle Hamilton, Bronwyn Terry, Laurie Blakeslee, Michele Linz, Katie Spencer, Barb Reagle, Trisha Leszek. Back row: Natasha Noska, Missy McCartney, Lori Connick, Daniela Lowman, DeeAnn Steiner, Jennifer Johnson, Darci Niebauer, Joyce Hegyi

A Night For Beautiful Memories.

The new queen, Wendy Hasenkopf, inheriting the crown.

"Beautiful Memories" were made for Wendy Hasenkopf on June 12, 1987. The Saegertown High School stage was done beautifully in silver and white. These colors were especially appropriate, for it was the twenty-fifth anniversary of the pageant. The Saegertown Women's Improvement Club worked for many days getting ready for the big event.

Contestants performed a ballet choreographed by Kristine Yeager. Those participating were Debra Oakes, Jennifer Harrison, Jaynie Miller, Tabitha Dietz, Sheli Luikart, Michele Dawson, Tami Sippy, Becky Sheckler, Darlene Johnston, Wendy Hasenkopf, Jill Proper, Merlene Foster, Debbie Higgins, Noreen Williams, Debbie Williams, Tonya Brandt, Traci Duras, Julie Haemer, Gayle Calladine, Stephanie Leszek and Shannon Schultz.

Contributing to the evening were pianist Jacques Canfield, singers David Peters and Allison Molli, and ballet dancer Jennifer Boyd.

Julie Haemer and Jaynie Miller were first and second runners-up, respectively. Wendy Hasenkopf was crowned Miss Saegertown 1987 and named Miss Congeniality. After the crowning, all of the participants joined in "Thanks for the Memories."

Dance, Dance, Dance!

Gimme A Beat!!!

The 1987 Saegertown Marching Band season brought with it new experiences for all, including Mr. Cavett. A new style of marching was adopted by the band and was introduced by drum majors, Marc Weagraff and Tammy Marley. The drum majors were an outstanding addition to the band and were much appreciated by all.

The band was active in parades over the summer. The first parade in which the band performed was held at Rocky Grove. The band took first place at Northeast and afterward enjoyed a swim at Presque Isle, complete with music by the Beach Boys. Other parades included Cambridge Springs, where the band took second place, and Townville.

Band camp indicated that the football season was moving into full swing. Many hours were spent on the field in pursuit of the perfect half-time show. After band camp, the band made its traditional journey to Kennywood Amusement park, where they performed and spent the day braving the raging rapids.

The accomplishments of band camp were evident in the band's half-time show which included the songs "Excelsior," "Broadway," and "Little Bitty Pretty One." The year came to a close with the annual band banquet. It was an especially sad occasion for the seniors who bid farewell to the band, Mr. Cavett, and Mrs. Vivian in a world premier video. Thus ended a year in the life of the Saegertown Marching Band.

Homecoming candidates Jennifer Kellogg, Beth Garrity, Wendy Hasenkopf, Darlene Johnston, Jaynie Miller, Sharla Garton, Marci Elmen, Paula Fleet, and Jill Proper

Sharla Garton

The 1987 Homecoming festivities were a big success. The week before the Homecoming game, the nine candidates, nominated by the senior guys, were introduced. The student body was later charged up with a pep assembly on the day of Homecoming. At half-time of the Homecoming game, Sharla Garton was crowned the 1987 Homecoming Queen by football team co-captains Tom Sada and Chris Allio. The theme song for the festivities was "Didn't We Almost Have it All" by Whitney Houston. At the Homecoming dance after the game, held in honor of Sharla, the band Overdrive played to a full house. Congratulations to the 1987 Homecoming Queen, Sharla Garton.

And The Winner Is . . .

From Yearbook . . .

You, the student body, should all give yourselves a pat on the back for being so cooperative this year. Without your interest, projects like the "fly-over" and the "Senior S" would never have materialized.

We made quite a few changes in this year's book, and we hope you enjoy the results. For me, it was a real learning experience. Many of the staff members, including myself, attended workshops over the summer to help make this the best book S.H.S. has seen.

A special thanks goes to Mrs. Spencer. Not only has she taken over the monumental responsibility of advising, but she is still speaking to me!

I would like to thank Jenny Kellogg, Assistant Editor; Sharla Garton, Business Manager; and the rest of the yearbook staff for attending the endless number of meetings, meeting the pressure of deadlines, and contributing to the creativity and organization of this book. You all made it possible. Thanks for being patient, dedicated workers. You all did a wonderful job and made this a great year. Thanks again and best wishes to you all.

Into the library . . .

And off to study hall . . .

We have it all! We're proud of our teachers here at S.H.S., knowing they have our best interests at heart. We may not have the extras of a larger school, but we sure have the advantages of a smaller one with a faculty who knows us all and can give us that personal touch.

Our Spirit Is Alive . . .

Once again, the spirit of Saegertown High has been spurred on by the varsity football cheerleaders. Over the summer, the cheerleaders went to Allegheny Cheer-ing Camp and took ten ribbons for excel-lence in various activities. They were also voted by fourteen other attending squads to receive the camp's Positive Mental Atti-tude-Congeniality Trophy. The cheerlead-ers were also nominated for "most spirited squad" of the week. The girls worked hard to show their spirit and pride throughout the year. They helped to make the 1987 football season great for their guys and for the rest of the school as well.

Spirit is something every school wants to have a lot of, and this year our student body worked hard at achieving an enthusiasm of which we are proud. Not only was spirit evident in our sports, but also in our assemblies and spirit days held throughout the year.

All students put a lot of energy into each spirit-oriented activity, and that is what made this year such a success. The perfect example of this was the united effort of our students and community in the struggle after Scott Bidwell's accident. Everyone pulled together and offered support to each other, and to the Bidwell family. That is what true spirit is all about.

And It Keeps On Growing!

Heaven If Only For One Night A Night To Remember At Riverside Inn

The 1987 Junior-Senior Prom will definitely be "a night to remember" for all who attended the event held at the Riverside Inn at Cambridge Springs. The Prom Chairperson Jen Harrison and the entire Committee did a wonderful job decorating the ballroom in pink and grey. The highlight of the evening was the crowning of Steve Schultz and Sharon Osborne. Prom Aides were Merlene Foster, Brian Haibach, Deanna Chatley, Tom Linz, Traci Durasa and J.O. Bravinder.

The evening's activities ended around 11:00 P.M. for some, but many went to the Prom to Dawn, held at the McComb Fieldhouse, Edinboro University. There, students participated in many activities, including swimming, volleyball, racquetball, basketball and movie viewing.

A night to remember

As the shiny sports car started to roll on to the field, nine hopeful queen candidates were shivering with anticipation. Jenny Kellogg, Jill Proper, Wendy Hasenkopf, Jaynie Miller, Darlene Johnston, Paula Fleet, Beth Garrity, Marcie Elmen and Sharla Garton were the candidates nominated by the senior guys. The entire student body had voted for its choice, and one lucky candidate would be the Homecoming queen. As the candidates were escorted from their cars, a brief biography of their activities was announced to the audience. Finally, the last candidate was in line, and the candidates and the audience were waiting eagerly for the announcement of the new queen. Following the announcing of her name, Sharla Garton was crowned by Tom Sada as the new Saegertown Homecoming Queen. A homecoming dance followed the game. Congratulations, Sharla!

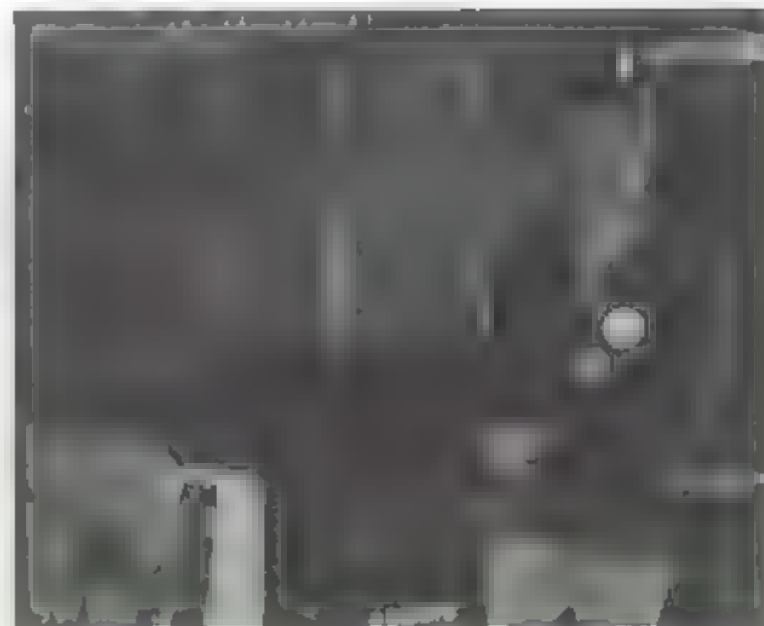

After School Comes . . .

It's hard to believe, but there's more to a student's life than school. For many, this includes a job at a local business, yet others have their own cars on which they work. Most find they can participate in a variety of groups within the county. They can work with the Candy Strippers/Cadets or other groups that help the community. They can also participate in several learning programs such as 4-H and Junior Achievement. Many students are likewise involved in church activities. These two pages capture the feelings of all these activities.

Junior Achievement

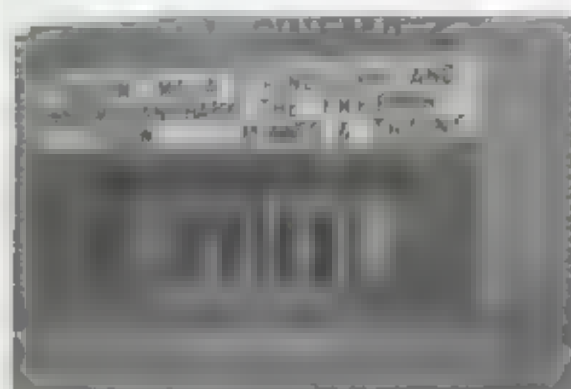

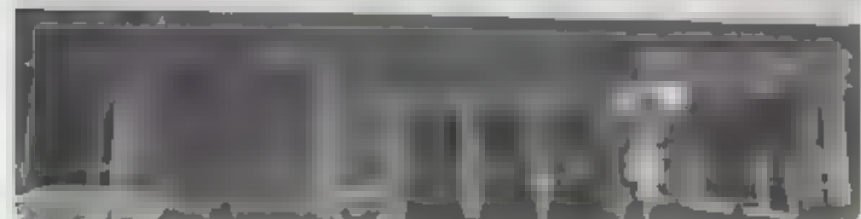

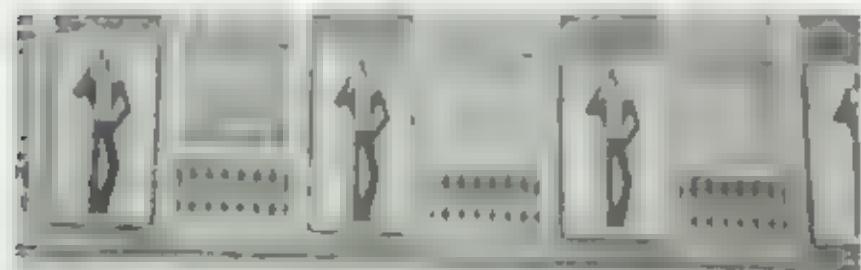

Junior Achievement is an international program designed to teach high school students about business. The students attend a meeting once a week at the Junior Achievement office in Meadville. They are separated into five companies. Each company sells stocks, elects officers, and selects and produces products.

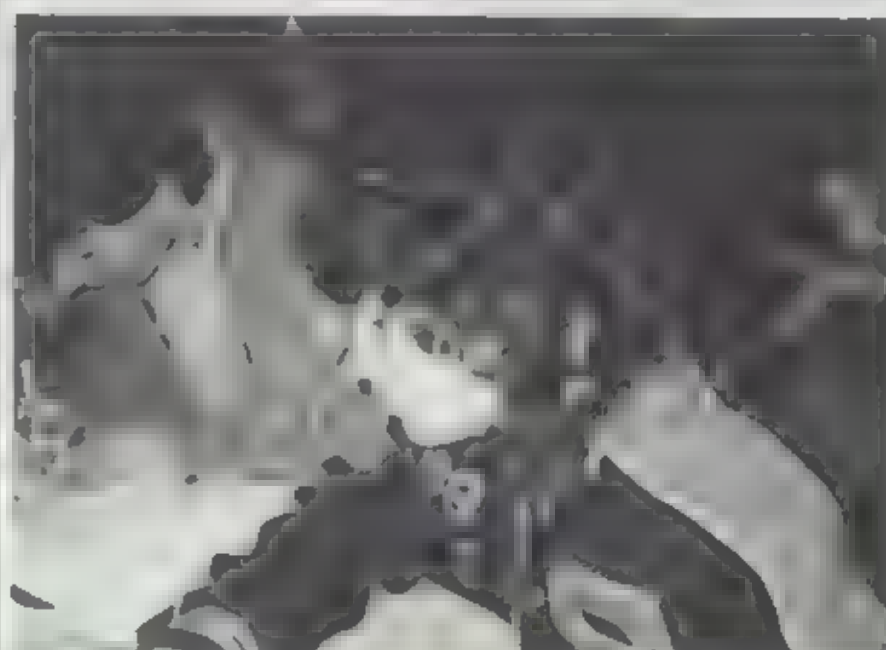

Larry Shaffer, Amy Braymer, and Dusti Braden produce their company's product.

... A Lot Of Fun

On any Friday or Saturday night Meadville is set ablaze with car headlights as the teenagers cruise up and down Chestnut Street. Then, later, the road clears up a little and people start going inside. They can dance at Razzie's or the new dance spot, the Breakaway. If dancing isn't their style, there is always the theater. No matter where teens go, when they're done, they get hungry. Then it's on to Mr. Donuts for a quick snack or to McDonald's for a late night meal. When done there, it's on to home for a well-deserved rest.

Scott Bidwell Day

September 19, 1987 is a day that will live forever in the memories of the Saegertown students and community. In a football game against Lakeview High School, sophomore Scott Bidwell (Beef) received a serious neck injury when he tackled a Lakeview receiver and later was transported to Hamot Medical Center via Life Star Helicopter. Beef's spinal cord had not been severed, but had been traumatized; consequently, Beef had little feeling below his neck. The Saegertown community and students immediately commenced fundraisers to alleviate the burdens of the financial strain the Bidwell family faced. October 10, 1987 was declared Scott Bidwell Day in Meadville, with \$10 300 being raised. Cards and signs filled Beef's room from well wishers, caring citizens called from across the nation to extend their sympathies and encouragement.

On October 28 Beef was transported to Hammerville Rehabilitation Center with the ambulance making a stop at Saegertown High School on its way. As the ambulance pulled into the parking lot 500 students showed Scott just how much they missed him. While at Hammerville, Scott was not forgotten; Erie had a Scott Bidwell Day and friends continued to drive down to visit him. Scott came home for both Thanksgiving and Christmas and sent the students a letter he typed. Through the whole trauma, Scott has had a positive attitude and an undying perserverance to regain the use of his arms and legs. His strength and his zest for life are inspirations to us all.

We love you Scott!

Hot Stuff

From the reopening of the Snakepit to new candy in the food machine and the same old lectures about roaming the halls between classes, this year was full of fun for everyone.

Hard work, enthusiasm and plenty of spirit combined to cause a number of various activities to be planned and carried out. One of these activities was a very successful and fun Valentine's Dance which named kings and queens from every grade. The whole student body was encouraged to participate, and most did, giving a whole new atmosphere of friendship and cooperation to the school.

Now we take a ton of memories that came from all the fun away with us and remember 87-88 as a year of "Hot Stuff."

in District Playoffs

The 1987 softball team was extremely successful during their season. The team finished with 16 wins and 6 losses. The Lady Panthers finished in second place in the FCVC after an 8-5 win over Cambridge Springs. They breezed through the District 10 playoffs until they played Linesville for the D-10 title. The Lady Panthers lost to the Lions 6-2, finishing second in D-10. After another win against Kishacoquillas, they played Linesville again to see who would go on to states. The Linesville Lions won 3-2 in an extra inning game. All-Stars for the Panther team were Diane Schlosser and Lisa Zirkle, first team; Brenda Jones and Robin Harrison, second team; and Marla Sheets, honorable mention.

This is a real honor!

The team gets together to make a plan of attack

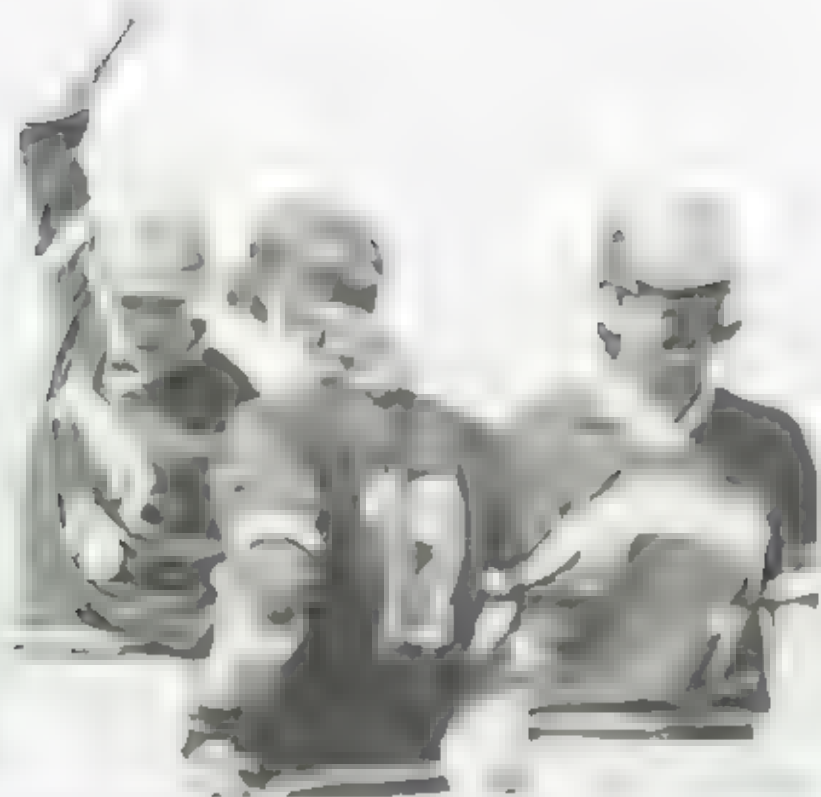

The Saegertown baseball team brought us many victories last season. With no seniors on the team, they were able to gain eleven wins in seventeen games, and finish third in the league. The upcoming season should be even more successful, since they have the advantage of being a young team.

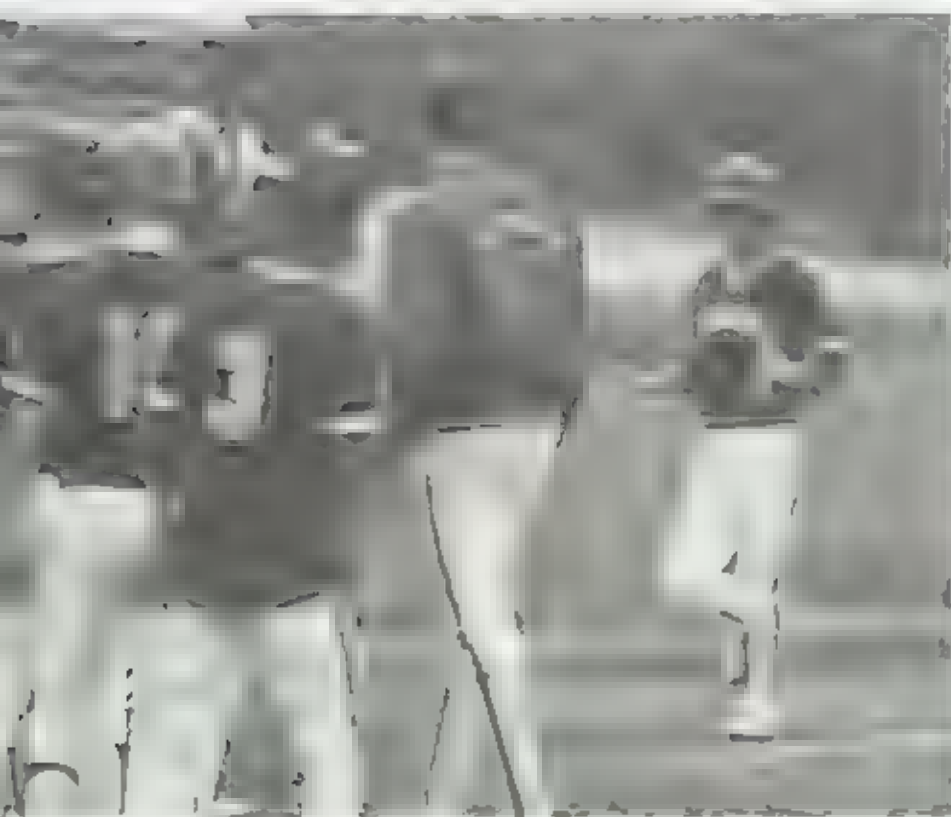

A meeting on the mound.

Tom Sada stands ready at the plate.

On or off the baseball diamond, Saegertown's baseball team enjoys the game. You can see it in their faces as they prepare to have fun and play well. We wish the 1988 team good luck!

Winners Again

On to states

This year the girls' volleyball team made it to states for the second year in a row, where they finished as one of the top eight teams in Pennsylvania. In the regular season the girls had only three losses, two that went to Conneaut Lake.

Going into District 10 playoffs, Saegertown represented FCVC, along with Conneaut Lake and Conneaut Valley. The girls were undefeated at the playoffs until their confrontation with Cranberry in the semi-finals of the winners bracket. The Panthers' loss put them into the final game of the losers' bracket against Conneaut Lake, who had only one loss to Cranberry. Saegertown defeated the Lakers 2-0 and moved on to play the Berries for a second time, this time to see who would earn the D-10 title. Even though the Cats lost, they still earned the right to represent the district at States.

Saegertown went well-represented to States. The girls finished as one of the top eight teams. Congratulations, team!

Several of the team members were honored as they made All Stars for girls volleyball in FCVC. They are Diane Schlosser, MVP; Michele Amy and Robin Harrison, second-team hitters; Janet Bortner, setter, and Karen Barickman, hitter, honorable mention.

Bump . . . Set . . . Spike!

The JV team struts their stuff!

Although last year was a rocky season for the varsity, the junior varsity did well. Their record was 8-2, with both losses going to Conneaut Valley.

This year, the junior varsity players will become the varsity starters. It is expected that this new group of players will improve our past volleyball record. They hold high expectations for the coming season.

Hopefully, the team will continue to get better, and maybe one day they will reach their goal of going to state championships.

With the hard work and dedication shown by the players, this goal is definitely attainable. We wish them the best of luck!

In Pursuit Of Excellence

The wrestling team this year was small in numbers but large in desire. The team overcame numerous difficulties in their pursuit of excellence and still could walk proudly. Wrestling a difficult schedule, the Panthers persevered with a winning record. The wrestling team showed signs of greatness and were easy to coach on and off the mat.

With nine returning lettermen, the Panther's team looked basically the same as the team of 1987. The Panthers forfeited the 98 lb. weight class all year. Although there were one or two forfeits the team had five returning district qualifiers and three returning state qualifiers.

The strength of the team was in the middle weights. The 119, 132, and 138 lb. classes were, by far, the strongest. Jim Mulligan, Tom Sada, and Bob Armagost were all competitors in the state tourney last year. Jim Mulligan was a two-time 4th place finisher, and Armagost placed 6th at his second state tourney. Tom Sada did not place but worked very hard and should be commended for his effort.

In all, the wrestling team will be strong for years to come but will miss its graduating seniors and will always remember their accomplishments.

Victory Is What They Inspire!

"Tonight is the night, we're gonna win this fight, the mighty Panthers are dynamite! And so they cheer, but there is a lot more to cheering than meets the eye. Constantly these ambitious girls are busy from the beginning of the wrestling season to the very end. Not only do they cheer for matches and tournaments but also attend nightly practice participate in a competition held at Edinboro University, and hold many fund-raisers to collect money for summer camp and other needs.

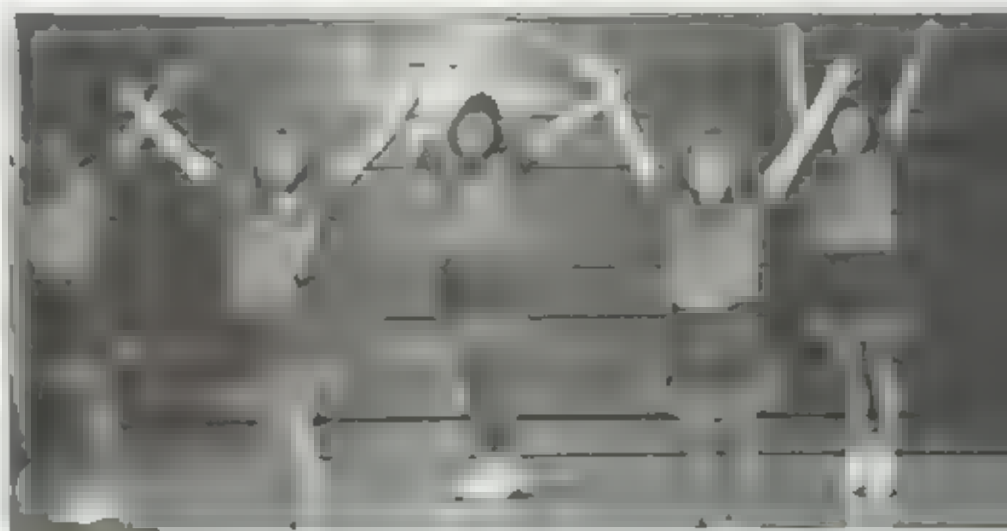

All agree that always they are striving for the best and have already set high goals for next year's squad. The girls wish to improve however possible and above all gain more support for their wrestlers. One even suggested the possibility of a Snake Pit for wrestling as well as basketball.

To all the wrestling cheerleaders, your enthusiasm is greatly appreciated. Keep on cheering!

The SHS Basketball Cheerleaders' spirits ran high this season as the newspapers told the stories of Panther victories. The reviving of the Snake Pit brought on an excessive spark of vigor into cheering for the girls, too! Excitement was in the air as basketballs were slam-dunked, and in no way were the bus rides quiet on the way home with shouts of triumph lingering. The basketball season of 1987-1988 will always be remembered by the cheerleaders as one that helped spirit and pride return to SHS.

The 1987 Blood Drive proved to be a success. The blood mobile arrived and with the help of Student Council unloaded onto the stage. From 9:00 A.M. until 2:00 P.M. the blood was flowing. The constant flow of donors contributed 56 pints of blood to the American Red Cross. Brownies, crackers, cookies and drinks were the rewards for those who donated. A challenge is sent out to next year's 17 and older to surpass this record.

The Key Club is a non-profit community service organization sponsored by the Sunrise Kiwanis of Meadville and is part of the National Key Club Organization. The intent of the Key Club is to raise funds or provide needed materials to any charity or worthy cause. The Key Club has already raised funds for the Cancer Society and the Muscular Dystrophy Association.

The Communications Club, under the supervision of Mrs. Di-maria, is a great help to S.H.S. The club members are assistants in the library and also do a great deal of the audio/visual work. This includes providing VCR's to classrooms, running the holiday movies, and doing the stage lighting for various school productions. This group of people, who serve both teachers and students, are an essential part of a good education.

The 1987-88 Hi-Q Team was one of the most successful teams in Saegertown's history. The starting line-up consisted of Ed Shanley, captain, Marc Weagraff, Sean Taylor and Julie Shellito, with Marla Sheets, first alternate. In the first two meets of the highly competitive Academic Challenge sponsored by Gannon University, Saegertown won big victories over Cambridge Springs and Northwestern. The team met defeat against McDowell in what the commentator called "one of the best matches I've ever seen."

D.A.R. Award

The Daughters of the American Revolution Award is given annually to a member of the senior class who has displayed the qualities of good citizenship. The recipient is nominated by the faculty and then voted upon by the senior class. Upon receiving the school award, the winner must complete a short test and several essays which will be entered in a regional and state contest. This year's winner is Marc Weagraff. Congratulations!

The Senior National Honor Society consists of sophomores, juniors, and seniors who exemplify the qualities of scholarship, character, leadership, and service. The students, in order to be eligible for the Honor Society, must have a cumulative scholastic average of eighty-five per cent. Any student who is eligible is placed on a list and voted upon by the faculty. The votes are tallied, and the new members are inducted into the society in a special ceremony in May. Their induction is followed by an Honor Banquet.

The Junior National Honor Society follows the same format as the senior society with the initial selection being made in seventh grade and further selections being made in eighth and ninth grades. The Junior Society holds an evening induction at the Middle School with the parents attending and refreshments served. Their ceremony is likewise held in May.

The Spanish Club is under the direction of Mrs. Alea. The students work toward a better understanding of the Spanish language and culture. Their biggest activity this year will be a trip to Pittsburgh. There, they will be sightseeing, eating dinner in a Spanish restaurant, and seeing a play done entirely in Spanish. They also have several fundraisers including a Thanksgiving turkey raffle.

The JETS team is made up of juniors and seniors who travel to Erie and participate in a day long series of activities. The main activity consists of tests, with each student being required to take two. The tests are in several areas including biology, chemistry, physics, mathematics, and English. The scores from each student's test are added together to form a team score.

The Electronics Club is headed by Mr. Douglas. The group has several projects, the major one being to repair and maintain any equipment. They also develop individual projects and carry out experiments to increase their knowledge.

The Varsity 'S' Club consists of those students who have received a Varsity letter in any sporting activity during their four years at Saegertown High School. This includes managers and stats as well. A banquet is held at the end of the year, and awards and letters are passed out during a special assembly program.

The Campus Club is a newly formed club at S.H.S. Meetings are held after school Wednesdays with a variety of speakers and activities filling their agenda.

The Saegertown High School Ski Club goes skiing every Saturday night for 8 weeks at Peek-N-Peak in Clymer, New York. The students have 6½ hours of fun. The Ski Club would like to thank Mrs. Spencer for all of the time and hard work she has put into the program. Because of her dedication the Ski Club is a tremendous success. Think snow!

Just Can't Stop The Music!

Concert Choir

The Saegertown Choruses, under the direction of Mrs. Duncan, have come a long way. Both the first period chorus and second period choir work long and hard to present their two annual concerts, one at Christmas and the other in the spring. Not only does the chorus sing, but they also learn about music theory and music history. Indeed, chorus is very educational, as well as a lot of fun.

District Chorus

Saegertown is not a name many of the students of District Chorus will forget. The three members of our chorus made a great impression with their fine performances. Marianthy, Tammy, and Marc each qualified for regionals by placing in sixth, fourth, and first chairs, respectively, in their sections. Marc was also honored with the chance to dazzle the audience with a solo performance of the "Figaro aria" from *The Barber of Seville*. S.H.S. was also well represented in the less competitive, but just as strenuous, Jr. District Chorus by Jennifer Graham and Mary Hinderliter.

The Regional Chorus Festival of 1988 was held at Meadville Area Senior High School under the direction of Ward Jamison of Allegheny College. Saegertown was represented by Marc Weagraff, Marianthy Filipos, and Tammy Marley. After three days of hard work and preparation, the chorus presented an excellent concert, which was enjoyed by everyone who attended.

The Greatest Days . . .
-Jackie Davison

A chapter of our lives
has closed;
The adventure is over.

Good-byes have been said,
Addresses exchanged.
We have tried so hard
to hang onto this moment.
Yet it slips fleetingly away.

Do you remember the first day
of school?
The feeling of terror
and excitement
as the bus carried you
away from home?

We played on the playground,
finding our places in the crowd.
We acted in skits, sang in recitals,
and had great fun.

As the years progressed,
we changed.
But we still tried to find
our places, our groups.

Do you remember your
first kiss?
Going to the prom?
Learning to drive?

But those adventures are over.
They truly were
the greatest days of our lives . . .
So far!

We, the class of '88, have many memories of our thirteen years at Saegertown. We remember when we had a half day everyday, were brought a snack, and could buy a carton of milk for five cents. We were required to take music class and sang "Mr. O-R-R". Things were simpler then, such as writing a "love" note with the basic "I like you, do you like me?" Yes or No (circle one)."

Even in third grade, we had class. That was the year we held the funeral for Mork and Mindy, the pet hamsters. Recess was a favorite time, "The Kissing Tunnels" were quite popular during fourth grade.

We all thought it would be the greatest thing ever to be in the Middle School. That was until we became fifth graders and realized how small and insignificant we were. From our stay at S.M.S. we remember such things as Time-Out and Sex-Ed for which we had to have a note from home to take it. Of course, none will forget the many times we did synchronized book drops, sneezes, and whistles.

Ah, freshman year! It's like being in fifth grade all over again. Being juniors, we were cool because we were upperclassmen. We felt we could sleep through our classes. The amazing part was that we actually passed them. It was, in reality, a very hectic year with the prom contributing greatly to this.

Thirteen years are stowed away here at Saegertown. The friends we made here will be remembered throughout our lives, and the memories will be refreshed with each page of this book.

Jazzy Juniors

This was the year of the SAT's and Mrs. Bedford's English class. Having lived through both and having met the challenge, the juniors put these in the past and are looking forward to making the decisions next year that will affect their entire lives—colleges to attend and careers to pursue. Not to worry, though, this is a tough bunch! Good luck, juniors.

Sophomores

This year was one of the most trying for the sophomore class. As it is one of the most grueling years for schoolwork, we found ourselves often surrounded with more work than ever before. It was a year of preparation for the decisions, tests and problems coming in the near future, a year of character building, to which these sophisticated sophomores arose to meet the challenge.

Sophomores

This year was above all one of learning, seeing the real world, and realizing it wasn't as easy as it looked before, after the tragedy of our good friend Scott. But it also taught us just how much can be accomplished if everyone works together. It was truly a year to grow, individually, and united.

Freshman Survey

The freshman class completed a survey about their lives as freshmen. Would you have answered the same way when you were a freshman? Read on to find out.

The freshmen's worst fears were becoming lost and being 'picked on' by the seniors. Seventy-two per cent of them didn't think the high school was academically harder than the middle school, and the more difficult subjects for freshmen were English, algebra, and history respectively. The upperclassmen are still true to form by 'picking on' 77 per cent of the freshman class. One place where freshmen do not spend their time is in detention. Fifty-eight per cent haven't had detention yet, and only 13 per cent have had more than 3. Popular movies were *Top Gun* and *Dirty Dancing* while *Santa Barbara* ran away with the favorite soap award. Pizza Hut and Four Star make the best pizza with Mom not too far behind. The most popular radio station was Hot FM 101 with POWER 108 and K104 coming up from behind.

This is the life of this year's freshmen. Thinking back to your freshman year, is this what you would have said?

Hey guys! Here's the test!

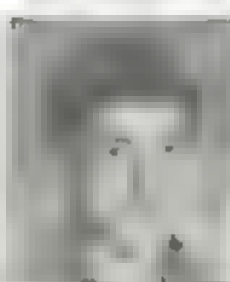

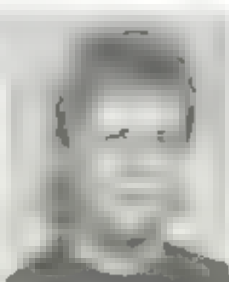

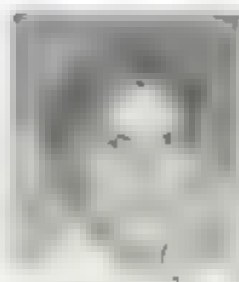

Freshmen

Upperclassmen look forward to the arrival of each new freshman class in hopes of selling them elevator passes and pointing them in the wrong direction so they will be late and get their first detentions. But this class proved a big disappointment along these lines, not being in the least bit gullible to these antics. The freshmen have been an enhancement to our school. No way around it, we thank you, freshman class, for all that you have done to improve SHS!

Freshmen

Ah, yes . . . the freshmen. Who doesn't anticipate their arrival at the high school. This year's high-spirited group has helped to invigorate our school, adding support and encouragement to all. This year's freshmen are willing to step out to show what they are really made of, making themselves a viable part of this school.

Fantastic Freshmen

Kelly Sargeant, Renee Parks and Jenni Graham, participants in Halloween play Herb Orr doing his best in home ec; and Steve Mulligan, having fun, as usual

English

Mr. William Peiffley has been teaching for twenty-nine years. He enjoys hunting, fishing, trapping, boating, and watching sports. *Mrs. Judy Bedford* has been teaching for eleven years. She enjoys reading, walking, and traveling when she has free time. *Mrs. Joyce Hogan* has taught for ten years. In her leisure time, she enjoys reading, fishing, and spending time with her family. *Mrs. Barbara Spencer* has taught for twenty-four years. She enjoys golfing, reading, skiing, and playing tennis.

Science

Mr. Robert Dzurko has been teaching for eleven years. He enjoys listening to music, reading, working outdoors, and working on cars. *Mr. Robert Clark* has taught for twenty years. He enjoys many hobbies in his free time, including hunting, reading, and gardening. *Mr. Ronald Schultz* has taught for twenty-seven years. *Mr. Reed Trimble* has been teaching for twenty-four years. In his leisure time he enjoys nature photography and camping.

Mathematics

Mr. Richard Zirkle has been teaching for twenty-three years. He enjoys riding motorcycles, coaching, hunting, and farming. *Mr. Robert Wattras* has taught for thirty-five years. In his spare time he enjoys painting and reading. *Mr. James Marvin* is a thirty-one year veteran of teaching. He has many hobbies and interests which include reading, listening to records, refereeing, and running.

Scare Tactics!

Whomp . . . pause . . . Whomp . . . pause . . . When students of Mr. Clark hear that sound, they know it means one thing: TEST TODAY. It doesn't matter if it is Monday morning or the day back from vacation, or even the day before!

On test days, Mr. Clark can always be found outside his door "Whomping tests," with a vicious grin on his face. What student doesn't find himself plagued with self-doubt when approaching this scene? More than one person has studied that extra hour in order to confidently pass this intimidating greeting! Mr. Clark is one man no student will soon forget!

The Library . . . More Than Meets the Eye!

Saegertown High School has been blessed with two very special people, Mrs. DiMaria and Mrs. Frantz. They have worked magic with the sometimes monotonous walls of this school. For no holiday is too insignificant for this dynamic duo's attention. Be it President's Day, Flag Day, or whatever the calendar says, one will find the walls of this room graced with shelves of books and lots of festive decorations. In an effort to make the library a cozy place of escape, these two ladies have even built a tree behind the charge desk. And, no ordinary tree at that! It would have been too simple! They adapted "The Twelve Days of Christmas" into a TREE!

And to top it off, they are always willing to stop what they are doing to help someone find whatever he is looking for, be it information for a term paper or a favorite author's works.

So the next time you go to the library, look around. You may discover that the nation is celebrating a holiday that you didn't even know existed!

History

Mr. Robert Kent has taught for twelve years. He enjoys restoring vintage motorcycles and doing other mechanical works in his leisure time. *Mr. James Bedford* has been teaching for twenty-seven years. He enjoys reading and hunting in his free time, as well as studying the Civil War. *Mr. Merle Darcangelo* has taught school for thirty-seven years. In his free time he likes to read, travel, and participate in various community activities. *Mr. Shorts* has been teaching for twenty-eight years. During leisure time he enjoys traveling, music, hiking, reading, and motorcycling.

Magical Mathematics

Does the following situation sound familiar? You are sitting in math class watching a problem being solved on the board. Then a magician, disguised as a math teacher, works some magic and pulls numbers and solutions OUT OF THE VERY AIR you are breathing! You shake your head, lost beyond hope.

Ring any bells? Well, there is a cure! Ask questions! That is the motto of our very own Mr. Marvin. No question is too small, no answer too obvious. If you are lost, he will find you. And, if the answer isn't clear, he will show you again . . . and again . . . and again . . . and again . . .

Business

Mr. Zackovitch has taught for five years and enjoys running in 10-K races. *Mr. Keba* has taught for twenty-five years and likes to go fishing.

Physical Education

Mrs. Phyllis Carr has taught for twenty-seven years. In her free time, she is an announcer at horse shows, a director of Vacation Bible School, and a Red Cross Instructor. *Mr. Jerry Nowakowski* has taught for fourteen years. He enjoys boating and riding dirt bikes, as well as playing and attending sports in his leisure time.

Special Education

Mr. Mike Nageotte has been teaching for eleven years. In his spare time he enjoys hunting and fishing. *Mrs. Manuel* has taught for eleven years. She enjoys cake decorating, camping, gardening, and spending time with her family. *Mr. Bob Braymer* has taught for fourteen years. In his free time he enjoys hunting, fishing, and coaching wrestling. *Miss Rebecca Rugh*, inset, has taught for nine years. She enjoys singing and sewing. *Mrs. Barbara DeWitt*, who is missing from the photo, has taught for twenty-two years. In her free time she enjoys reading and gardening.

Bewitching!

The truth is out! These three women have managed to disguise themselves as Mrs. Hogan, Mrs. Spencer, and Mrs. Bedford, but now we see their true colors. They simply teach English in their spare time when they are not casting spells and making brew. Although they rarely perform any witchly duties in the classroom, it might not be a bad idea to stay on their good side!

Music: The Art of Sound

Music . . . perhaps the only means of communication which can be understood by any person of any culture or nation. Here at Saegertown High, we have the good fortune to have music teachers who not only teach performance, but also help their students to really appreciate good music. So many people have never been given the opportunity to enjoy real music, music beyond that of the local radio stations. Through the chorus and band programs, Mrs. Duncan and Mr. Cavett provide the opportunity to anyone willing to take on the hard work required to attain the perfection necessary for performance. Just because chorus and band aren't all fun and games doesn't mean there isn't any. Usually, learning in these programs is fun, at least more fun than some other classes can be. So if you like music, and a good time, Mr. Cavett and Mrs. Duncan will surely have a place for you!

Custodians

A special thanks goes to the following for working so hard to keep Saegertown High School in good, clean, working order: Don Smith, Carol Thomas, Robert Ongley, Mark Lilly, Donna Smith, Don Nichol, and head custodian Harvey Smith (inset). Thank you!

Over thirty years of service

Few people have the courage or determination to work in the same place for over thirty years. That is why we would like to honor those persons at S.H.S. who have given their time and talent for this remarkable amount of time. There are five people who have achieved this period of service. They are as follows: Mr. Marvin- 31 years, Mr. Osborne- 31 years, Mr. Darcangelo- 38 years, Mr. Wattras- 35 years. and Mr. Baker (absent from photo) 31+ years. Congratulations to all of you on your accomplishments and thanks for all you have done.

Language

Mrs. Maria Alea, Spanish teacher has been teaching for twenty-seven years. In her leisure time, she enjoys reading, sewing, cooking, and traveling. This is French teacher Mrs. Vicki Love's first year of teaching. She likes to grow Christmas trees, cook, sew, and cross-country ski.

Home Ec./Art

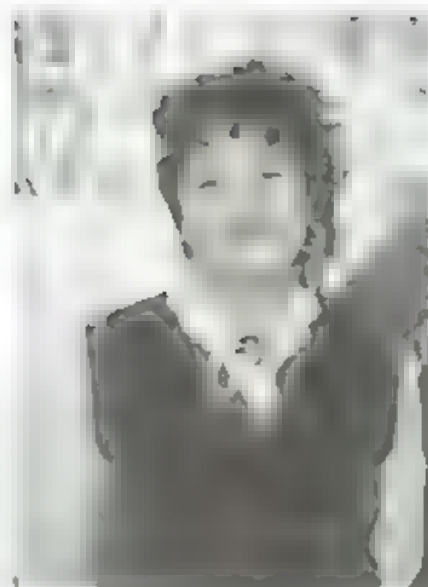

Mrs. Nancy Young, our home economics teacher, has been teaching for six years. In leisure time she enjoys sewing and summer sports. Our art teacher, Mrs. Lynda Proctor, has been teaching for thirteen years. She enjoys arts and crafts, as well as gardening.

Support Staff

Mrs. Eleanor Long, school secretary, has been at S.H.S. for sixteen years. Her hobby is finding free time. Mrs. Marie Smith, school secretary, has been at S.H.S. for twenty years. She likes to paint and rollerskate. School nurse Mrs. Dorothy Baugh has been serving the school for thirteen years. She enjoys camping and participating in family activities.

Club de Español

Learning a foreign language is never easy. Simply memorizing long lists of vocabulary words can be a laborious task. But Saegertown's own Mrs. Alea has a talent for making Spanish fun. Thanks to her Spanish Club, education is not limited to the classroom. With the funds raised by club members every year, field trips are possible. In past years she has been known to go so far as to take students to Mexico! Sombreros off to Mrs. Alea!

Industrial Arts:

A Busy Place to be

The Industrial Arts Department is always a busy place to be. From technical drawing to electronics, there is always something happening. There are projects to be completed and learning to be done with the assistance of *Mr. James Douglas* and *Mr. Ronald Atwell*.

Stop in sometime and see what your friends are doing there. Maybe the Industrial Arts Department offers something for you.

Administration

Our Guidance Counselor, *Mr. Harold Osborne*, who has been working in education for thirty-one years, likes to travel, remodel older houses, and bicycle. Assistant Principal *Richard Baker* has been serving S.H.S. for over thirty-one years. He enjoys gardening, traveling, and attending sport activities. Principal *William Adair*, who has been filling that position for twenty-two years, enjoys gardening, cooking, and repairing autos.

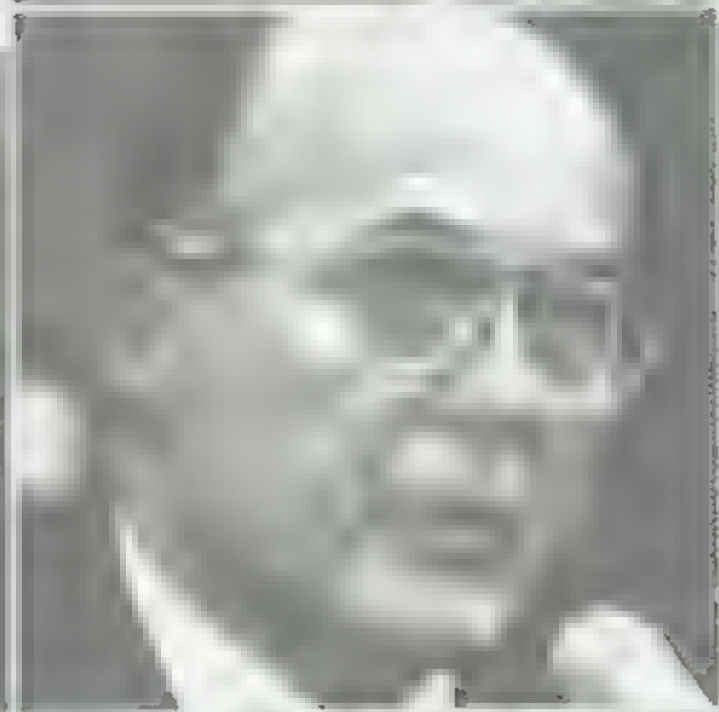

Service with a Smile!

Although there are always the standard complaints, the women that run our cafeteria are dedicated and always do their best to please. You will find them always bustling around, working with what they are provided. Daily, they prepare a nourishing meal for a very fussy student body, which can't be an easy task. Their smiles continue through the many complaints. So the next time you stop in, wish them a good day. They will surely appreciate it.

Michele,
Watching you mature
into a beautiful and
talented individual
brings us tremendous
joy and pride. Look
out world, here
comes Chele.
Love,

Mom & Dad

Jim,
Roses are red.
Violets are blue.
Whew!!
Are we glad you're
through.
Congratulations.

A Year Of Pizazz

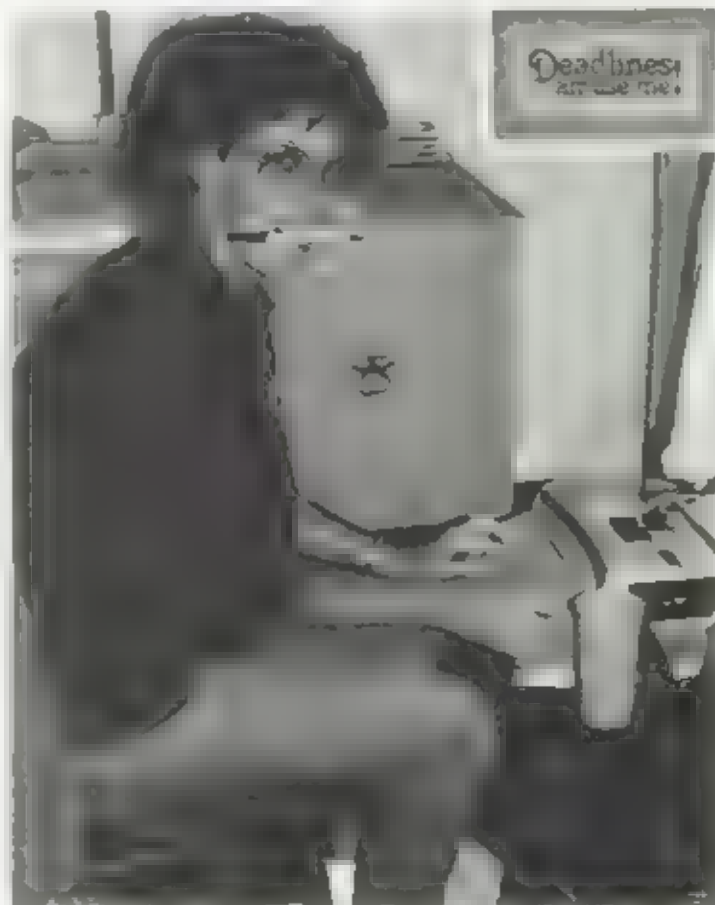

It has been quite a year for Saegertown High School. It was a year of triumph and tragedy, laughter and tears. It was the year Scott was hurt. At time of printing, he is making progress and still being a stinker- can't trust that kid! It was the year that Sharla Garton was crowned homecoming queen, a night she will never forget. Diane Schlosser scored 2,000 points in basketball, a goal few achieve. Likewise, Joe Johnson broke the school record for total points scored in basketball. As you can see, Saegertown High School Students have a lot of pizazz!

Senior Staffers: *Back:* Sharla Garton, Joe Gajdowski. *Middle:* Marc Weagraf, Renee Schlosser, Jackie Davison, Cherl Reed, Julie Shellito, Ed Shanley. *Front:* Val Osborn, Sean Taylor, Jenny Kellogg.

Mrs. Spencer

This yearbook would not have been possible without the dedication of Mrs. Spencer. All year, before each deadline, she and the editor got together and burned the midnight oil. Layouts and pictures took up so much room, only a child's table was available to hold a typewriter. (Photo at right) Mrs. Spencer is one dedicated lady, who sacrifices sleep to get the job done. Thank you, Mrs. Spencer!

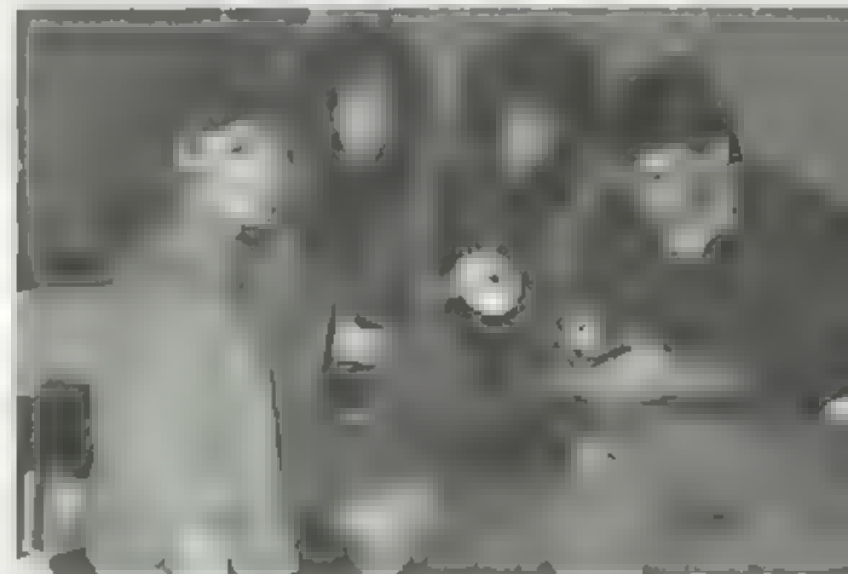

When it comes to memories ..

we've got you covered.

OTENS The perfect memory

Did you ever wonder what happens in the yearbook room? Some staffers look through other schools' yearbooks to get ideas. Others figure out outdated cameras or retrieve books from hard to reach places. All the while, some staffers work on a page totally oblivious to the activity around them. Guess what? It's FUN!
